ANSWER
THE MINISTER OF STATE FOR AGRICULTURE AND FARMERS WELFARE
(SHRI SUDARSHAN BHAGAT)

(a)&(b): Department of Animal Husbandry, Dairying & Fisheries has initiated an online application system for receiving applications and issuing of Sanitary Import Permits (SIP) for import of Livestock Products including Fish and Fishery products online. This system will benefit the applicants in getting the SIP within a short time which in turn would help the sector to import essential fish and fishery products, either as inputs for aquaculture or re-exporting of the same after value addition.
